Glass containers for non-alcoholic beverages and jars.

HISTÓRIA DE EMPRESA

Gurallar Glass Packaging, the new investment of Gurallar Group after 20 yrs of experience in glass manufacturing, container glass manufacturing plant will be operational at the end of 2014 with the capacity of 300 ton/day. From production processes to quality control and packaging processes, this plant contains the state of the art new technology and automation systems.

With over 300 new employees, this plant will be the first step of a large investment. The infrastructure is designed to accommodate more than one furnace. Plan is to increase the manufacturing capacity in near future.

From design to sales/marketing, Gurallar Glass Packaging will have ISO 9001 and BRC/IOP management systems implemented in all processes and the factory is being built to be eco-friendly. Machinery and facilities are chosen with this concept in mind and when the project is completed, it will be one of the best examples regarding sustainable production.
