PRODUTOS / MÁQUINAS

Supplier of Drying UV Technology, Screen Printing, Metal Coatings (Precious Metals), Glass colours

HISTÓRIA DE EMPRESA

Since many years Fluorital is present as leader on the market of the organic products for the decoration and protection of the surfaces. The company started its activity in the 60s, and it is grown adapting itself to the customers' demands, aiming at the research and launching new products that have received the approval of the market at international level. Currently it is present in the sectors of the spray varnishes and silk screen inks for glass, metals and plastic materials. The company's mission has its foundations in the continuous improvement and in the constant investment into development. The target that Fluorital has established is the total customer's satisfaction. Such purpose is not only pursued with the achievement of products which guarantee more and more elevated performances, but also turning attention to the environmental safeguard, taking care of the ecological impact by the formulation of more correct products from the point of view of the emissions in atmosphere and of the health on the place of work. Fluorital, that works according to the quality system ISO 9001, guarantees products carefully checked and severely tested.
