PRODUTOS / MÁQUINAS

Manufacturer of international quality automotive and float glass, The Automotive Glass SBU is India's largest manufacturer of world class automotive safety glass and one of the largest in the field in Asia. The state-of-the-art automotive glass manufacturing unit, with a total production capacity of 1.2 million car sets, is located at Bawal, District Rewari (Haryana) on National Highway - 8. It is the first Indian glass company to get the QS 9000, ISO 9002, ISO 14001 and TS 16949 certifications from TUV SÜDDEUTSCHLAND, ECE's 'E Mark' and the US Department of Transportation's approval for its entire product range. The Float Glass SBU manufactures and markets international quality float glass. The SBU has a state-of-the-art float glass manufacturing plant that was set up by Asahi Glass Co. Ltd., Japan, a leading global manufacturer of glass. The Float Glass SBU was the first in the country to introduce tinted float glass in various colours and is a market leader in tinted glass in the country. It has received ISO 9001 certification from TUV Bayern Sachsen, Germany.
