PRODUTOS / MÁQUINAS

Delivering quality doors and conservatory panels since 1986. Since its foundation in 1986, Plasway has developed into one of the UK's leading door and conservatory panel suppliers. This unparalleled growth has been gained through a combination of constant investment in new tooling, imaginative and elegant mouldings and door designs. Superior components and construction all to ISO9002 standard. As well as their beautiful appearance, Plasway doors give you high thermal insulation, colour stability, and they won't rot or warp. Each panel comprises of two skins which are fire resistant and available in a choice of widths and 5 shades of white and 3 shades of woodgrain. You've also got the additional peace of mind knowing Plasway doors are all constructed to the ISO9002 standard. In house glass studio. Skilled staff in our own glass studio design and craft a wide range of leaded, bevelled and transfer printed glass designs, we'll even supply specials made to order if required.
