PRODUTOS / MÁQUINAS

We produce high quality tools for glass makers:

tweezers
straight shears
diamond shears
pipes and punties
crimps
molds
torches and hand torches
customized tools

Roberto Donà is a professional production consultant and will help you to plan your glass factory or glass studio. He is also your right contact for budget planning and for give you advice and support.

He can help you choose the right tools for your job. It depends on the objects and the size of the objects you want to make. The right tool can completely influence the creation of a piece.

A small example: the blades and body of the lifters change depending on the size and shape of the glass you are making. Each tool is specialized for the technique that the glass master or glass artist wants to create.

Crystal production
sculpture
glass blowing
glass lamp production
glass bead production
Venetian style glass
and much more

The more you use the tools, the more comfortable you will become with them. The high quality will pay off in your work.

The **Carlo Donà family business** offer the production of individual tools, just contact us.
