PRODUTOS / MÁQUINAS

Zhejiang Wanxiang Solar Co., Ltd., established in 2006, is an affiliated company of Wanxiang Group. It specializes in research and development, manufacturing, sales and services of PV products in terms of solar cell, module and system. The company, located in "Heaven on Earth"—Hangzhou, is only a 15 minutes drive from Hangzhou Xiaoshan International Airport and Hangzhou Railway Station. The company has the capacity of 30MW/Year with 2 production lines, the production equipments from Germany, Japan and America have enough process capability to assure the product performance, as well as a testing center equipped with world class testing facilities, qualified and professional quality engineers for the quality control of input material, process quality and output of final products, coupled with clean production solution and the quality assurance system of ISO9001, ISO14001, OHSAS18001 make all of our solar modules delivered to our clients are with high quality and 100% meeting the requirement of IEC61215, UL1703 and IEC61730. Tens and several MW of our modules are installed in the solar roof system and solar plants in Germany, Spain, Italy and North America area. They are generating numerable clean electricity from the sun light. A more aggressive development plan of 300MW production capacity for solar cells, modules and PV systems is keeping on, which will be completed by 2010. Our philosophy and target is: Develop PV based green energy products innovative solution, Basically solve energy and environment-protect problem, And promote the harmony and sustainable development of society.
