HISTÓRIA DE EMPRESA

AMC was founded in 2003 as the publishing house specializing in creation of magazines about techniques and technologies. AMC releases the press devoted to the industrial equipment, and editions about interactive multimedia services and consumer electronics. Besides the publishing house our company includes advertising agency, design studio and PR-agency – today it more than 40 professionals. The head office is in Moscow, permanent establishments are in Novosibirsk and Vladivostok, the advertising agency is based in Finland, in Lappeenranta. Each of our magazines provides its readership with knowledge-on-demand and useful information. The authority of each publication has earned it a unique niche on the Russian market in a combination to high quality polygraphy.
