## PRODUTOS / MÁQUINAS

Driven by a desire to serve our customers, YKK AP America offers market-driven products backed by world-class technology and a dedication to be the very best at what we do. Consistent with the philosophies and principles of the global YKK Group, we combine engineering, innovative system designs, and vertically integrated manufacturing processes to provide fenestration systems at the highest level of quality and at a competitive price. Commercial products are produced at our national manufacturing center located in Dublin, Georgia and shipped throughout the United States and our regional branch network. Serving the Southeast, residential products are produced at our initial manufacturing center located in Macon, Georgia.

Committed to protecting the environment and the communities in which we operate, the Dublin, Georgia manufacturing center has achieved ISO 14001 status recognizing our advanced environmental management systems for recycling and the conservation of natural resources.
