HISTÓRIA DE EMPRESA

As the leading glass packaging supplier in Asia Pacific, O-I carefully crafts and champions glass from four key countries — Australia, New Zealand, Indonesia and China. Our innovative craftsmanship has put us in the perfect position to inspire the region to recycle glass, and in New Zealand we even helped architect a means of doing so.

The flourishing Asia Pacific region is home to a network of O-I manufacturing plants, a technical advancement centre, a mould shop, joint-venture operations in Malaysia and Vietnam, and a talented local sales force. Our sales representatives understand local market conditions and work hand in hand with our customers to help build their brands across the region and the world.
