

# One stop solution for screen printing

03.2016

—SAATI

SAATI is a “Solution Provider” in the pre-press screen printing sector. We are the only industrial company in the world to simultaneously manufacture and sell both textiles and chemical products for the screen-printing process. This synergy helps to ensure the best quality, an extensive range and the highest performance levels in the application phase.

**SAATI** products include a wide range of complete solutions for screen printing such as:

- Mesh
- Chemicals
- Equipment
- Accessories

SAATI products are projected to meet the most demanding needs of fast growing screen-printing segments.

## Graphics

## Glass

## Electronics

## Textile

## Ceramics

Saati satisfies all screen printing needs through a complete range of screen fabrics.

### HI-R

for every traditional screen printing application

### HI-GLASS

for glass screen printing

### HI-DRO

for fine detail and water based ink printing

### HI-FORMAT

for High-end and large format applications

### HI-LO

for High-end electronic products

### HIBOND Plus

For all applications

### HI-TEX

suited for textile applications

### SAATILON

Polyamide mesh for plastic bottle printing

**SAATI products** include a wide range of screen chemicals such as:

- Emulsions
- Adhesives
- Mesh Pre-Treatments & Degreasers
- Capillary film
- Blockouts
- Reclaim products.

**Brand portfolio:**

## SQUEEGES

Duralife squeeeges have great production performance and come in a huge range of versions, profiles and hardnesses for every printing needs:

- Duralife CE – Cut edge (Standard, UV, antiastics)
- Duralife ME- Molded edge (Standard, Composite Profile and Dual Durometers)

## BRUSHES

Metal-free, non-rusting stiff nylon brush for mesh degreasing, stencil and ghost image removal.

## TAPES

- **Stretching equipment-** TOP 12 Clamp systems
- **Quality control equipment:**
  - Tension meter
  - Moisture meter
  - Electronic thickness gauge
  - Durometer
  - Printing mesh counter
  - Mesh angle gauge
  - Printing 21step calculator
  - Exposure & Resolution Calculator

### For Italian market

- **Dryers** – Chiossi e Cavazzuti
- **Exposure Systems** – CST Engraving System
- **Digital Equipment** – Kornit

Saati is Kornit Digital's exclusive agent for the **Italian market**.

Kornit offers a complete line of direct to garment digital printing solutions that range from commercial to mass production level.
